#### REISSUE DECLARATION

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

We, Toshiaki HASHIZUME, Hisashi IECHIKA, Yasunori OGAWA, Shinji HABA and Akitaka YAJIMA, hereby declare that:

- 1. We are a sitizens of Japan with the addresses as stated below next to our names.
- 2. We have reviewed and understand the contents of the specification, including the claims, as amended by any amendment specifically referred to in the Oath/Declaration.
- 3. We believe that we are the original and first inventors of the subject matter which is claimed and for which a patent is sought and that is described and claimed in the reissue application and in U.S. Letters Patent No. 6,000,802 which issued from U.S. Patent Application No. 09/163,163 filed September 30, 1998.
  - We claim the priority benefit of the following applications:
     Japanese Patent Application No. 8-217652 filed August 19, 1996; and
     Japanese Patent Application No. 9-190004, filed July 15, 1997.

Reissue of U.S. Patent No. 6,000,802

- 5. We acknowledge our duty to disclose information which is material to the examination of this reissue application in accordance with 37 C.F.R. §1.56(a).
- 6. We consider U.S. Patent No. 6,000,802 to be partly inoperative by reason of claiming less than we had a right to claim because the original claims are unduly limited and may not provide an adequate scope of protection.
- 7. For example, the claims of the 802 patent recite a "projection-type display apparatus" instead of a --projector--.
- 8. All errors being corrected in this reissue application up to the time of filing this declaration arose without any deceptive intention on our part.
- 9. We hereby revoke all prior powers of attorney and appoint the following as our attorneys of record with full power of substitution and revocation to prosecute this application and to transact all business in the Patent Office:

James A. Oliff, Reg. No. 27,075; William P. Berridge, Reg. No. 30,024;
